\*NOTE: THE IDIO PORTION OF THE CONTRACT SHALL BE PAID BY INDIVIDUAL DELIVERY ORDERS/H-ORDERS WITH FUND CITATIONS ON EACH ORDER.

(b) The Contractor agrees to perform or have performed work as specified in the PWS up to the point at which if this contract is terminated pursuant to the Termination for Convenience of the Government clause of this contract, the total amount payable by the Government (including amounts payable for subcontracts and settlement costs) pursuant to paragraphs (f) and (g) of that clause would, in the exercise of reasonable judgment by the Contractor, approximate the total amount at the time allotted to the contract. The Contractor is not obligated to continue performance of the work beyond that point.

H-34723D  
Modification No. 27

The Government is not obligated in any event to pay or reimburse the Contractor more than the amount from time to time allotted to the contract, anything to the contrary in the termination for Government clause notwithstanding.

(c) 1. It is contemplated that funds presently allotted to this contract will cover the work to be performed until August 31, 2005.

2. If funds allotted are considered by the Contractor to be inadequate to cover the work to be performed until that date, or an agreed date substituted for it, the Contractor shall notify the Contracting Officer in writing when within the next 60 days the work will reach a point at which, if the contract is terminated pursuant to the Termination for Convenience of the Government clause of this contract, the total amount payable by the Government (including amount payable for subcontracts and settlement costs) pursuant to paragraphs (f) and (g) of that clause will approximate 75 percent of the total amount then allotted to the contract.

3. (i) The notice shall state the estimated date when the point referred to in subparagraph (c)(2) above will be reached and the estimated amount of additional funds required to continue performance to the date specified in subparagraph (c)(1) above, or an agreed date substituted for it.

(ii) The Contractor shall, 60 days in advance of the date specified in subparagraph (c)(1) above, or an agreed date substituted for it, advise the Contracting Officer of the estimated amount of additional funds required for the timely performance of the contract for a further period as may be specified in the contract or otherwise agreed to by the parties.

4. If, after the notification referred to in subdivision (3)(ii) above, additional funds are not allotted by the date specified in subparagraph (1) above, or an agreed date substituted for it, the Contracting Officer shall, upon the Contractor's written request, terminate this contract on that date or on the date set forth in the request, whichever is later, pursuant to the Termination for Convenience of the Government clause.

(d) When additional funds are allotted from time to time for continued performance of the work under this contract, the parties shall agree on the applicable period of contract performance to be covered by these funds. The provisions of subparagraphs (a) and (c) above shall apply to the additional funds and the substituted date pertaining to them, and the contract shall be modified accordingly

In addition to the Program Security and System Security Engineering effort already identified, Program Security effort shall be required for dedicated support to specific programs, such as the Next Generation Launch Technology (NGLT) program (formerly known as the Advance Space Transportation Program (ASTP), Orbital Space Plane Program (OSP) and the follow-on CEV Program. Provide Program Security support to the Center Special Security Office (SSO) in the area of Sensitive Compartmented Information Facility (SCIF) management, including day-to-day operation of the SCIF. Program shall focus on planning, security integration, ITAR controls, physical security controls, database management, classified processing, communications security and security of information technology systems."

7.7.1 The Contractor shall perform program security functions at Michoud Assembly Facility, New Orleans, LA. The Contractor shall assist and advise in the following facets of security to include physical, operational, and personnel security. The Contractor shall assist and advise in the following: investigations, access control, visitor processing, key and lock control, review and distribution of incident reports, presentation of security briefings, preparation of security related reports, response to security questions and queries from employees and the public, compilation and preparation of statistical data related to security issues or concerns, preparation of security announcements to the public, updating security program information and procedures. The Contractor shall attend meetings as a representative of the Protective Services Office, conduct physical security audits and vulnerability assessments, and perform liaison with other security and law enforcement professionals. The Contractor's duties shall not exceed 24 hours per week.

## 8.0 Physical Qualifications

8.1 Each security officer shall be in good physical condition; be capable of standing, or walking for an entire shift, being outside in severe weather conditions and carrying objects weighing up to 50 pounds; be able to protect themselves and others; and withstand sudden emotional stress and physical exertion in apprehension of suspects and violators. Pursuit may be on foot, requiring running, jumping, climbing, and/or crawling, followed by physical contact to overpower the violator as necessary.

8.2 All security officers, dispatchers, and uniformed supervisors shall meet the physical qualifications as set forth in the Civil Service Handbook X-118, Section G.5., "Qualifications Standards for Guards and Guard Supervisors, Series 085," on an annual basis, with the following additional requirements/modifications:

8.3 Vital Capacity: Demonstrate adequate pulmonary function by passing pulmonary function test of 85% predicted Forced Vital Capacity (FVC) and 86% Forced Expiratory Volume (FEV1) of measured FVC.
